# HELP US BUILD A HAPPIER PLACE FOR HOMELESS ANIMALS

## India Street Paws, Inc.

India Street Paws, a 501(c)(3) charity founded by Washington, D.C.-based author Sarah Pekkanen, partners with RRSAINdia, a stray animal rescue group in Gujarat, India, to treat injured and abused street dogs and provide rabies vaccinations—protecting both animals and vulnerable communities.

At India Street Paws, we believe that every life—no matter how humble—deserves love, care, and protection. Join us in our mission to make a difference. Together, we can create a brighter future for India's street dogs, cats, and other animals who fend for themselves without regular food or shelter.

Why is it important to care for street dogs in India? The answer lies in the heart-wrenching stories of these resilient beings, who navigate the streets with love and grace despite the hardships they endure.

# Donate

Every dollar you donate directly supports suffering animals in India. Sarah personally visits (at her own expense) to ensure transparency and impact—your monthly or one-time gift truly saves lives.
